Contrary to popular belief, Lorem ipsum is not a random selection of words. It is a carefully chosen mixture of words from the 450 most common words in the English language. Lorem ipsum is a Latin word meaning 'filler text'. It is used in the design industry to represent text in a document or on a website. Lorem ipsum is a placeholder text that is used to fill the space of a document or website. It is used to show the layout and design of a document or website without the need for actual content.
